**Student Absences for In School Learning:** Parents/Guardians are responsible for calling the school to report any type of student absence. Students showing any symptoms of sickness on a day they are expected to attend school should stay home but may participate in learning remotely. Parents should indicate with the attendance office whether their child is able or not able to participate remotely. Students will be marked absent if they are not in school on the day they should be in school, however, they are still welcome to attend remotely.

**Student Absence From Remote Learning:** If a student is too sick to participate remotely, parents are responsible for calling the absence into the attendance office.
